- Group has no outside debt.
- Trust / Management entities only act as trustees and holders of assets for clients and their beneficiaries. They have no assets / liabilities in their own right. They only have dedicated bank accounts to facilitate their services
- Service entities receive income and pay expenses. All client invoicing is done through Stichting IN Administrative Services; it funds other service entities as needed (to cover expenses, pay salaries, etc.).
- Irina and Nico Francken are the (beneficial) owners of all entities and or their assets (excluding those held in trust or generally for clients and their named beneficiaries) directly or through Stichting IN Fiduciary Services Holding.
